

## **2021 Changes to Camping Permits**

Effective January 1, 2021, PotlatchDeltic will no longer offer the All-Season Camping permit and instead, focus on increasing campsite lease opportunities. All campsite leases have the same April 10 – December 10 term dates as the all-season permits. The rates for campsite leases are based on the number of campers/RVs/camp trailers allowed on the campsite area. 14-Day Camping permits will still be offered in 2021 but may be limited to specific locations or dates. Camping in the Conservation Easement area in the St. Joe River Corridor will also be included in the lease program.
