

Temporary Road Closure of Bingo Creek Road

PotlatchDeltic and Idaho Department of Lands jointly announce a temporary road closure of the Bingo Creek Road and all its tributaries, to all recreational activities and public entry. The closure is attributed to extremely heavy commercial traffic. Both landowners will be implementing multiple large-scale salvage logging operations along with other emergency forest management activities due to the recent wildland fires in the area.

The Bingo Creek Road is a narrow one-lane low volume road that will be unsafe for public use during this time. The road closure will begin Tuesday September 7th and last until December 31st, 2021.

Bingo Creek Road Temporary Closure 9/7/21 - 12/31/21
